

Professional Qualifications of Prashasti Agrawal, CA, B.COM

Prashasti Agrawal is a Chartered Accountant and valuation professional specializing in business valuation, financial modeling, and financial analysis. She has ~5 years of diversified valuation experience across M&A, financial reporting, litigation support, and tax-driven valuation engagements. Her work spans Purchase Price Allocation (PPA) under ASC 805/IFRS 3, Fair Value Measurement under ASC 820/IFRS 13, ESOP valuations, intangible asset valuations, goodwill impairment testing, and transaction valuations.

She has executed and reviewed valuation analyses for 50+ U.S. companies and 25+ Indian listed and unlisted clients, covering industries such as pharmaceuticals, infrastructure, manufacturing, and financial services. She has demonstrated strong analytical capabilities through in-depth financial modeling—including DCF analyses, guideline public company methods, and guideline transaction methods—leveraging platforms such as S&P Capital IQ, DealStats, PitchBook, PrivateCircle, Bloomberg, and Microsoft Power BI.

She has shown proven leadership in managing teams of 10+ analysts, overseeing project budgeting, resource planning, workflow management, technical training, and conducting preliminary project assessments. Prashasti has additionally built strong client relationships by developing tailored valuation reports and presentations and collaborating with cross-functional teams for value-added services such as financial due diligence and client information memoranda (CIM).

Before moving into valuation, Ms. Agrawal worked in tax and audit, completing 100+ income tax, GST, and TDS returns, drafting 10+ scrutiny assessment cases, and finalizing statutory audits for companies across infrastructure and manufacturing sectors.

Prashasti is currently employed as a Senior Analyst at Anchor Business Valuations & Financial Services, LLC and is simultaneously pursuing the Certified Valuation Analyst (CVA) credential from NACVA to further strengthen her valuation expertise. Her academic background includes a Bachelor of Commerce from Devi Ahilya Vishwavidyalaya and the Chartered Accountant designation from the Institute of Chartered Accountants of India, having successfully cleared CA CPT, CA Inter, and CA Final with distinction.
